Soon as I get upon the dance floor
Everybody is looking trying to figure out who I came
with

I'm rolling so low cause tonight anything goes
I just wanna have some fun tonight, yeah!

Lady let it go, time to make you, make you move
But you only got one chance to get it right, get it right!
Lady, go, go, time to make you move
Cause tonight I'm choosing, hey!

Chorus:

Ain't no holding back, no bother tonight
If you're choosing, choosing, get your step right
And I'm choosing on a dance floor,
Choosing on a dance floor,
Choosing on a dance floor,
I'll be choosing on a dance floor, yeah!

Tell the DJ, put this here on repeat, on repeat!
Cause ya love the way my body moves to the beat,
yeah!

Give me that one, two step,
I just wanna have some fun tonight!

Time to let it go, I'm gonna make you move
I know what I like and I know what I know, yeah!
Time to let it go, I'm gonna make you move
Cause if you're stepping right,
Then you know what I'm choosing!

Chorus:

Ain't no holding back, no bother tonight
If you're choosing, choosing, get your step right
And I'm choosing on a dance floor,
Choosing on a dance floor,
Choosing on a dance floor,
I'll be choosing on a dance floor, yeah!

Right, right, got you all up in my face
Now let's rhyme, get your freak on my body

And I don't care, cause I want it just like you
And tonight I'm gonna chose which one I want!
Think about.. to the floor just like what
Shake so hard that I gotta back up
Just like a green light, baby let's go!
Put it on ...take no more!
Tonight I'm gonna choose,
Tonight I'm choosing you!
You got me burning up
All that I do is burn!

Chorus: (x2)

Ain't no holding back, no bother tonight
If you're choosing, choosing, get your step right
And I'm choosing on a dance floor,
Choosing on a dance floor,
Choosing on a dance floor,
I'll be choosing on a dance floor, yeah!
