One be in my head  
will always end up ten,  
When I'm trying to get you off my mind  
Well you just won let me go  
Though your heart don't tell me so,  
Why I have to drink you back again?!

One's for the touch  
Came too easily.  
Two is for the smile you turn my way.  
Three and four make five  
but your memory is still alive  
Why I have to drink you back again?!

One be in my head  
will always end up ten,  
When I'm trying to get you off my mind  
Well you just won let me go  
Though your heart don't tell me so,  
Why I have to drink you back again?!

Six is for the night, new is broken to me  
Seven for evil heart it's ways.  
Eight leads down to ten  
Like the seven is begin  
I have a shot to send me on my way.

One be in my head  
will always end up ten,  
When I'm trying to get you off my mind  
Well you just won let me go  
Though your heart don't tell me so,  
Why I have to drink you back again?!

Well you just won let me go  
Though your heart don't tell me so,  
Why I have to drink you back again?!  
Why I have to drink you back again?!
