Love Don't You Haunt Me
don't you haunt me no more
Love Don't You Haunt Me no more.
You'll play my records
Cry after say
Love Don't You Haunt Me no more.

Night birds are crawling waters and ...
So desperate at the weather
I could play you a sad song
My hands may,
But sad memories are gone.

(x2:)
Love Don't You Haunt Me
don't you haunt me no more
Love Don't You Haunt Me no more.
You'll play my records
Cry after say
Love Don't You Haunt Me no more.

Love Don't You Haunt Me no more.
Love Don't You Haunt Me no more.
