Should I feel the sun when my heart is frozen,
When the sun was down to you,
When days gone by.
What else could it be when my body wants to stray
Won't be long til I my body wants pray.
Should I ask why?
Should I ask you?

Should I stay away
How the questions ?? the pain
So temptuous I'm not sure that you're my kind
Certain roads are take tryna reacquaint my name
Should I find to ride you off
Should I ask why?
Should I ask you?
Should I ask why?
Should I ask you?

I can't go back
I can't move on
I can't hold back anymore.
I can't go back
I can't move on
I can't hold back anymore.

Sweet dream, the worst of it
Not to saying no one could.
We dream the worst of it
Not the same no one could.
Should I ask why?
Should I ask you?
Should I ask why?
Should I ask you?

I can't go back
I can't move on
I can't hold back anymore.
I can't go back
I can't move on
I can't hold back anymore.
