I'd pick you up when you're down
If you'd only let me be around
Did you ever hear of anyone who'd do those things for
you?
Can we meet another day
Then I could try again from scratch in any other way
Like Humphrey Bogart or Gene Kelly this time
Or even Donnie Darko, cause I wouldn't mind

to be down with you
If you'd only let me stay there as long as you do
I wouldn't mind to be frowned upon
Cause I've got no prestige at all

They say that you've got someone else
But who cares if they say that you've found someone
else
And I say it's on my expense
Even though tomorrow nothing of this will make sense
'Cause I wouldn't mind

to be flat broke thanks to you
if you'd only let me spend all my money on you
I think it'd be beautiful
'Cause I've got no prestige at all

Maybe tomorrow night

We'll I don't think
That I can wait another day for those things
That I've been dreaming of
Cause we're getting older now
