Dreams are hard to fight  
It takes you on it's rides  
When will you come back?  
When will you come back

And so We'll suffer again  
Fatal tradegy begins  
When will you see me?  
When will you see me

It's all true  
It's all for you

Only you  
Only you

Nothing can make it right  
Still Not giving up this fight  
I hope you can hear me  
I hope you can hear me

It's all true  
It's all for you

Only you,  
Only you

The sunlight greets the day  
And the darkness fades away  
I know you can see me  
I know you can see me
