"All These Years"

There's just one thing I would say to you
I can't believe what he's done to me

Oh I can't deny it
Oh oh I can't deny it

I know it's hard to understand, but this is not a lie.
Too many years gone by, not facing the truth

All these years are gone
All these years are gone

There is too much pain
To understand.
So many years just passed on by.

Pale as the light.
Quiet and beautiful.
Can't have enough of my doll.

Oh I can't deny it
Oh I can't deny it.
