"Before I Fall"

How many times have I learned?
Still doing something wrong.
How long before the wall?
Before I fall.

How much can I take?
How long before I crash and hit the wall?
Before I fall?

Chorus:
Thereâ€™ll be new ways to go
Iâ€™ll carry on.

Thereâ€™ll be new ways to go
And I wonâ€™t crawl.

How can Iâ€™ve come so far,
With only words to say?
How many rules must break
Before I fail?

Bridge:
How long can I flow with the time that passes,
Without a doubt in mind?
Before I know it I canâ€™t find myself, I
Just crossed the line.
