I don't want to forget
Your smile, your face, your laugh.
But slowly it starts to fade,
And I can't recall it all.

Corus:
If I could, I would remember you just
Like I did, but you slip away.

Now I can't see you clear.
Your image's fading into nowhere.
And there is nothing else
That makes me feel so defenseless.

Corus

Days go by, I wonder why.
I wonder why I have to try to keep you in my heart.
But now I understand, it's not the end.
