I try not to cry
Can't you see my heart bleeding?

I don't feel like
Dreaming anymore

Where is you're heart now?
I'm all alone

Can't you see that I
Long?

Why can't I believe you
When you tell me it's okey?

I want to believe you
Let it all away.

You might find me here.
Alone feeling cold

I don't want to be afraid
Anymore

Where is you're heart now?
I'm still undone.

Can't you see that I'm
Alone?

Why can't I believe you
When you tell me it's okey?

I want to believe you
Let it all away

Growl:
I screamed so loud that I couldn't hear.
All The silence around me dissappear.
Soon I realized that noe one was there.
And everything broke into fear.
