Verse:

The caffeine runs through my veins at an unstoppable  
pace  
but nothing through my brain  
Boredom doesn't seem to have its way, well not as  
much as yesterday  
maybe I'll peel myself up off the couch

Chorus:

Don't you tell me that I'm not worthy  
I know that I can do something better  
I can't stand it, I feel so stranded  
When I know that I can do something better

Verse:

Tomorrow seems to come so quick, I know it happens  
every week  
but I'm not ready  
Money never loosens up its grip and my fountain of  
youth

seems to be empty

Chorus

Bridge:

Can't get away from the things I bring upon myself  
but through my convictions I'll drown my afflictions  
My integrity seems to resurface so take this  
worthlessness  
away from me....GO!!!

Chorus

Verse:

Sunshine doesn't happen all the time and I know its not  
a crime  
but I feel so lonely  
I guess I'll have to find a better way, to make a sunny  
day  
shine upon me

## Chorus
