I get on the bus sit down,  
While Iâ€™m talking youâ€™re staring,  
Look up, see you, start smiling  
Turn away till the next day,

Yeah yeah, I know you have a girlfriend,  
But oh oh, youâ€™re all I can think about,  
Doodle here, doodle there, Your name is everywhere,  
Everywhere but over there,

I really fall next year,  
I sit next to you when I donâ€™t have to,  
You drop everything and move your stuff,  
That chivalry is just enough,

Yeah yeah, I know you have a girlfriend,  
But oh oh, youâ€™re all I can think about,  
Doodle here, doodle there, Your name is everywhere,  
Everywhere but under there,

I call you, you answer, I get nervous hang up,  
Iâ€™ll call you tomorrow if I can get some sleep,  
What happens after that, just wait and see,  
Letâ€™s hurry up â€™cause Iâ€™m getting very giggled

Yeah yeah, I know you have a girlfriend,  
But oh oh, youâ€™re all I can think about,  
Doodle here, doodle there, Your name is everywhere,  
Everywhere but up there,

Everyone can see it,  
But there are a few differences,  
But never mind, age is just a number,  
Itâ€™s not that big of deal,

Yeah yeah, I know you have a girlfriend,  
But oh oh, youâ€™re all I can think about,  
Doodle here, doodle there, Your name is everywhere,  
Everywhere but (spoken) who am I kidding it's  
everywhere,

Doodle here, doodle there,  
This pain I cannot bear.
