I saw you dancing and I couldn't get you out of my
mind
The club is crowded, I don't wanna' lose you outta' my
sight
My heart is pumping crazy, baby tell me what can I do
Like a dejÃi vu.

Do it, I got the style and I got them all
Groove it, unchain my body, keep pumping up

Do it, I got the style and I got them all
Groove it, unchain my body, keep pumping up

Shake it shake it, put your body on the floor
Break it break it, you gotta' gime me some more
Shake it shake it, put your body on the floor
Break it break it, you gotta'
You gotta' gotta' gotta'

Shake it shake it, put your body on the floor
Break it break it, you gotta' gime me some more
Shake it shake it, put your body on the floor
'Cos all I really want is to to make you explode...

Like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, bomb, bomb, ba-ba-ba-ba-
ba-ba

Shake it shake it, p-put your body, p-p-p-
Break it break it, your body
Shake it shake it, p-put your body, p-p-p-
Break break break break body body body
Shake it shake it, p-put your body, p-p-p-
Break it break it, your body
Shake it shake it, p-put your body, p-p-p-
Make make make make make
To make you explode...

Like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, ba-ba-ba-bomb
Explode like a bomb, bomb, bomb, bomb, ba-ba-ba-ba-
ba-ba
