Frank Famous - The Message

(First Verse):

This is for my n\*\*gas who be always on they grind  
And for those foolish haters thinking that I wasn't on mine  
And for those independent ladies who be taking care  
them babies and  
Baby daddy trippin' all you could do is pray for him  
Or maybe he locked up and he say he want you to wait  
for him  
But you made a mistake within the time he was in  
prison  
This is for my homies yea you know just how we do  
For my n\*\*gas on them papers yea I made this song  
for you  
And this is for my folks who be struggling like I do  
Though you fed up keep your head up cause' we  
going through it too  
Don't let the devil get to you that's what my momma  
used to say  
And though you feel like you can't move just know  
that God will make a way

(Chorus):

I'd be wrong to say it's easy, cause it's hell out here in  
these streets  
With that money on my mind, and all I got is my grind  
(2x)  
(This is for my people who be always on they grind  
And for those foolish haters thinking that I wasn't on mine  
And for those independent ladies who be taking care  
them ba---  
(Hold up...I don't think they hear me, wait....)

(Second Verse):

You see I gotta keep it real, cause' nobody else will  
and that's just the  
Way I feel  
This sh\*t is more than music this is how I pay my bills

So I gotta make it work  
It's a lot of n\*\*gas out here got some sh\*t they don't  
deserve  
But I aint gon' hate on you,  
Instead I'll let you hate on me and ima pray for you  
Cause I see the way you do  
Plotting and scheming while I be constantly dreamin'  
But like Lil Boosie, I'm screaming "What about, Me! "  
I'm screaming "What about, Me! "  
I'm screaming "What about..."

(Chorus)

I'd be wrong to say it's easy, cause it's hell out here in  
these streets  
With that money on my mind, and all I got is my grind  
(2x)  
(This is for my people who be always on they grind  
And for those foolish haters thinking that I wasn't on  
mine  
And for those independent ladies who be taking care  
them babies, it's a  
Tribute to yall)
