All my feel (All my feel), had gone with you
Take everything to blame on me
You leave me, when I'm gone crazy
Deep inside me, you try to kill me? (you try to kill me)

Bridge 1

This time is not too late (this time is not too late)
Is not too late
This time is not too late (this time is not too late)
God are on my side
God are on my side (God are on my side)
Right?

Verse 1

When we have met, it was a fate
Is story from the other side
Hold this, my hope, to be the one
My chance will never be the last
It's never be the last!

Verse 2

So hard to know it won't be easy (so hard to know it
won't be easy)
That's why we must to go
Revelation's maybe someday (revelation's maybe
someday)
Maybe someday?

Bridge 2

This time is not too late
God are on my side
God are on my side

Outro

This sky tonight (gonna to fade)
Inside my heart she's only the one
I'm gonna to say (to say), oh my heart
Should I through this way?
When you so far away
