Oh God, Nice
Tjo

Chorus
Look at that girl sure hommie she is so pretty
Shut the whole town down when she hits your city
Aint nobody aint nobody do it like the cutie
Face real pretty, got curves, waist skinny
I wanna get to know ya
There is a couple things I really wanna show ya
I am such a loving lil boy, when I get you in a trance I
will be like I told
Ya

Verse 1
Excuse me mommy
I dnt mean to be rude bt you are cutie honey
What's your name kani please mwana?
I am loving your style the way you crussing babie
You my baby do u mind if I call you nhanha?
Let me speak properly
I am loving your everything especially
The dimple on your cheek
Body so thick everytime I look in your eyes I feel weak
So listen mabebeza
You sharper than a razor
I ain't got a car yeesh not even an alteeza
But ma swag is on ready
Never been on steady
Pretty little miss juss let me be your daddy

Chorus
Look at that girl sure hommie she is so pretty
Shut the whole town down when she hits your city
Aint nobody aint nobody do it like the cutie
Face real pretty, got curves, waist skinny
I wanna get to know ya
There is a couple things I really wanna show ya
I am such a loving lil boy, when I get you in a trance I
will be like I told
Ya

Verse 2

You make me do things I never used to do
How much I love you? Baby you dnt have a clue
If we were kids I will be paper u will be glue
No scissors only me and you
One plus one equals two
No lames around baby it's just me and you
Or should I say you and me cause girl you can u feel
me too
I ain't tryna flatter you but girl my love for you is true
So listen mabebeza
You sharper than a razor
I ain't got a car yeesh not even an alteeza
But ma swag is on ready
Never been on steady
Pretty little miss juss let me be your daddy

Chorus

Look at that girl sure hommie she is so pretty
Shut the whole town down when she hits your city
Aint nobody aint nobody do it like the cutie
Face real pretty, got curves, waist skinny
I wanna get to know ya
There is a couple things I really wanna show ya
I am such a loving lil boy, when I get you in a trance I
will be like I told
Ya

Verse 3

Tjo, Tjo itjooo
Well if you bring it down low like how low she can go
Let me see you do it drop it down to the floor gooo
Okae 1 2 3 4 gimmie more

Chorus

Look at that girl sure hommie she is so pretty
Shut the whole town down when she hits your city
Aint nobody aint nobody do it like the cutie
Face real pretty, got curves, waist skinny
I wanna get to know ya
There is a couple things I really wanna show ya
I am such a loving lil boy, when I get you in a trance I
will be like I told
