[Lyrics: Tony, Music: Achsar]

[Verse1:]

I'm sailing far away head to burning wheel
To discover the strange places
I just hear the voice, their lovely cries
So sweet, so be, be mine!
I saw a sleeping star, so far, so high
Shine for me, just tonight
Oh sleeping stars, what eternal dream
Now I'm raising up to your divinity

[Bridge:]

Oh star, sleeping stars
Oh star, sleeping stars

Oh star, sleeping stars
Oh star, sleeping stars

[Verse2:]

Stars, sleeping stars once will burning down
And leave your soul
Die, die alone, solitude in you
No more sleeping stars

[Chorus:]

My star
I'll cry, I'll cry, cry for you
My star
I'll wait, I'll wait, wait for you
My star
I'll die, I'll die, die for you.
