[Verse 1:]

Night is coming for your corrupted mind.  
Any shelter, you will nearly die.  
Master, master redeem my soul faster.  
Dance of death, prepare your black coffin.  
Sand of time, you're now immortal.  
Vampire!... Pure soulÂ... Vampire!

[Chorus:]

I love your painful dying  
I love to hear you crying  
Thank god for suffering  
Torment pain!  
Pleasure and pain  
Welcome to hell  
Soulless voice  
Your eternal choice

[Verse 2:]

Soul draining, shameful routine of night.  
Light in night, divine beauty of mind.  
Charmed, enchanted, secret power in eyes.  
Mind control, like a toy in her hand.

One feat, foul snake, whisper my black name.  
Just a bite, be my pure butterfly  
Vampire!... Regret... Vampire

[Bridge 1:]

Die my little beauty  
Die by my hands  
I can feel the spell  
No one can't feel the same

[Bridge 2:]

It was the sin  
Sin for me  
Vampire tear  
Is not real.

[Verse 3:]

Hellfull, anguish, engrave vampire hearts

White cross, divine, feeling like seraphine bride.  
New choice, draw in wishing well  
Sit mihi, lux dulcis  
Sit mihi, tera levis  
Signum magnum, pereat mundus.  
Vampire!... Despair... Vampire!
