[Verse 1:]

Every day in this hall
Full of workers like I'm
All those slaves
Under fools commands
When the task is done
They come and say
Eight hours is so few
Come back and work again.

[Chorus:]

Don't call me
Don't steal my life
Every work sucks

But weekend so much
Weekend work sucks!!!

[Verse 2:]

We are only numbers
Used for their intentions
Empty words they speak
Moralizing, admission
Our pay is still smaller
But their values growing greater
All right I will stay
If you pay all day
