It's Funny what a year can do especially to people like
you
Who meant so much to me once
It's funny how people change
Even if they swear to stay the same
Hey
It's funny to see what you wear now
Funny for me to hear the words that come out of your
mouth at me

I'm Sorry that you changed
I'm Sorry that you changed
I'm really really truly very sorry that you changed
You used to be so sweet when you'd hang out with me
Singing and dancing to some fun beats
But now you're pretty mean to me and my friends at
school
Which you and your group think is pretty cool
But me and my friends say
I'm Sorry that you Changed

It's ironic what happens when you turn 13
It's crazy what happens when you find a new clique and
queen bee
It's funny the rumors that spread in front of your eyes
That you just don't realize
It's funny to see how much you care about your looks
now
Funny for me to watch you running round thinking that
you're so cool

I'm Sorry that you changed
I'm Sorry that you changed
I'm really really truly very sorry that you changed
You used to be so sweet when you'd hang out with me
Singing and dancing to some fun beats
But now you're pretty mean to me and my friends at
school
Which you and your group think is pretty cool
But me and my friends say
I'm Sorry that you Changed

I'm sorry that you changed
I', sorry that you changed
I'm sorry that you Changed
Hey, hey

I'm Sorry that you changed
The way you dress the way you act
The way you were
I'm sorry that you changed the way you talk
The way you walk
And the way you treat me

I'm Sorry that you changed
I'm Sorry that you changed
I'm really really truly very sorry that you changed
You used to be so sweet when you'd hang out with me
Singing and dancing to some fun beats
But now you're pretty mean to me and my friends at
school
Which you and your group think is pretty cool
But me and my friends say
I'm Sorry that you Changed
