(And) I've been waiting here for you
Waiting for a sign from you
I feel very cold
That I can't smile no more

Your voice doesn't sound so clear
I don't think it's fair
Your dreams disappeared
I hope you'll be alright
We hope you'll be alright ...

Chorus:
(Father) Don't fade away from me
For you will always be
My sweetest memory
A friend so dear to me ...

And I don't mean to sound so sad
But if you only knew, I miss you so bad
I won't forget your life
We won't forget your life ...

Bridge:
I know it's gonna take time
But you will never be off my mind, oh no
I sit here crying many tears
But I wish you were still here ...
