I was stuck in my own mind  
Watching days just pass me by  
Feeling like there was no chance  
To navigate out of this trance

Pre chorus:  
But then I said  
It's my life  
And I'm gonna get it right  
I feel the light now  
Breaking the seams

Chorus:  
Hold tight, yeah you're almost there  
Daylight, you're gonna make it there  
Waves they keep attacking  
But finally it feels like I'm the captain  
Oh, oh

Sitting in a crowded room  
With people who don't seem to care about you  
At least that's how it seemed to me  
Oh, current won't you set me free

Pre chorus:  
Cause it's my life  
And I'm gonna get it right  
I feel the light now  
Breaking the seams

Chorus:  
Hold tight, yeah you're almost there  
Daylight, you're gonna make it there  
Waves they keep attacking  
But finally it feels like I'm the captain  
Oh, Oh

Bridge:  
Do you ever feel so lost  
With no way to be found  
Free floating through the tide

Just waiting to run aground  
The truth is, you're the one way out  
You're the one way through  
It's you

Pre chorus:  
Cause it's my life  
And I'm gonna get it right  
I feel the light now  
Breaking the seams

Chorus:  
Hold tight, yeah you're almost there  
Daylight, you're gonna make it there  
Waves they keep attacking  
I know that I can  
Hold tight, yeah you're almost there  
Daylight, you're gonna make it there  
Waves they keep attacking  
But finally it feels like I'm the captain  
Oh, yeah  
Oh, Oh, Oh

I'm the captain
