"I Belong To You"

I belong to you
My broken home has much to do
With all of the pain I have it's true
Needles aside I've no place with you

I still dream of a day when I'm closer
When I become all that I can be

In my surrender
In all conception
I still lose
In my ascension
There's still no mention of you

Danger keeps me down
I think I'm afraid I'll sink or drown
Before the lights go out
Sing one last prayer
With no fear with no doubt

I still dream of a day when I'm closer
When I become all that I can be

In my surrender
In all conception
I still lose
In my ascension
There's still no mention of you
