I gone to climb  
For slaving mind  
World Teach us  
Burn mixes to wine  
Thou fashion minds  
Will take us to fly  
It gives us  
Living with two jenny's

Never gonna change my mind  
Which will take me all behind  
Kicking with the high feets  
Will pain to cry  
So save your soul  
From that demons in the night  
This is the black tears song  
Crosses lining kites  
Eyes with devil's night  
This is the Black tears song

My anglo eyes  
Are Jumping Lights  
Thou fairness  
Can cause to die  
Love with Our lives  
Is telling to buy  
Roses with  
The humping red kites

Never gonna change my mind  
Which will take me all behind  
Kicking with the high feets  
Will pain to cry  
So save your soul  
From that demons in the night  
This is the black tears song  
Crosses lining kites  
Eyes with devil's night  
This is the Black tears song

Frogs are jumping

For all reasons  
Kites are cutting  
For all reasons ohohoho  
WHY  
Chorus  
Frogs are jumping  
For all reasons  
Kites are cutting  
For all reasons ohohoho  
Guitar solo  
Never gonna change my mind  
Which will take me all behind  
Kicking with the high feets  
Will pain to cry  
So save your soul  
From that demons in the night  
This is the black tears song  
Crosses lining kites  
Eyes with devil's night  
This is the Black tears song

Save your soul  
From that demons in the night  
This is the black tears song  
Crosses lining kites  
Eyes with devil's night  
This is the Black tears song
