Everybody wants my So-so
And mistake
Everybody knows me
And everything is my wick
Before i kill your child
More tension is to apply
So bye
I am gonna show you whom am i

I gonna

Wait here,Till i back there(U gonna)
Be my legion,before i kill your child
Right now i will show you down
Hmmm
I am children killer

Kik the back door with the
Scissors of years
Before the holy rain came
Pick nightmares
Before i kill your child
More tension is to apply
So bye
I am gonna show you whom am i
I am go side
(Daddy if 'am dead)
Give 1 million
(As i birth awake)
I may be easy
(If you save me)
Daddy be fucking easy
He is in a break

(I Gonna)

Wait here,Till i back there(U gonna)
Be my legion,before i kill your child
Right now i will show you down
Hmmm
I am children killer

I am go side
(Daddy if 'am dead)
Give 1 million
(As i birth awake)
I may be easy
(If you save me)
Daddy be fucking easy
He is in a break

I am a children killer
Wait here,Till i back there(U gonna)
Be my legion,before i kill your child
Right now i will show you down
Hmmm
I am children killer

More tension is to apply
So bye
More tension is to apply
So bye
More tension is to apply
So bye
I am a children killer
(Fucking killer)
(Fucking killer)
(Fucking killer)
I am Children killer
A fucking killer
I am a children killer
