We should live in through downtown  
We should watch the films of clowns  
For the sake of world and nouns  
We learned to live and found  
The sword of Lon sang Chaun  
We have to break down this war  
Kook your food in Time  
Look into my eyes

Death Blood Crime !!  
Its time to fight  
We are on the battle of life  
Together we can change this light  
The world is breaking around  
Dont you turn the sound

We are singing back to ground  
For our loosing life to found  
We have to be strong in war  
We are the warriors in world  
We should save the people god  
Never look back in your eyes  
Kook your food in time  
Look into my eyes

Death Blood Crime !!  
Its time to fight  
We are on the battle of life  
Together we can change this light  
The world is breaking around  
Dont you turn the sound

Leave this place and back to fight  
We have to break down this life  
We are all its all about  
Nothing can stop us now

I Promise you right now  
I will never let us down

Death Blood Crime !!

Its time to fight  
We are on the battle of life  
Together we can change this light  
The world is breaking around  
Dont you turn the sound

Death Blood Crime !!  
Its time to fight  
We are on the battle of life  
Together we can change this light  
The world is breaking around  
Dont you turn the sound

Dont you turn the sound  
Dont you turn the sound
