#### Verse 1:

The dream is fading, now I'm staring at the door  
I know its over cause my feet have hit the cold floor  
Check my reflection, I ain't feelin what I see  
It's no mystery

Whatever happened to a passion I could live for  
What became of the flame that made me feel more  
And when did I forget that...

#### Chorus:

I was made to love You  
I was made to find You  
I was made just for You  
Made to adore You  
I was made to love  
And be loved by You

You were here before me  
You were waiting on me  
And you said You'd keep me  
Never would You leave me  
I was made to love and be loved by You

#### Verse 2:

The dream's alive with my eyes opened wide  
Back in the ring You've got me swinging for the grand prize  
I feel the haters spittin vapors on my dreams  
But I still believe

I'm reachin out, reachin up, reachin over  
I feel a breeze cover me called Jehovah  
And daddy I'm on my way  
Cause I was made to love...

#### Chorus:

I was made to love You  
I was made to find You  
I was made just for You  
Made to adore You  
I was made to love  
And be loved by You

You were here before me  
You were waiting on me  
And you said You'd keep me  
Never would You leave me  
I was made to love and be loved by You

I was made to love You  
I was made just for You  
Made to adore You  
I was made to love  
And be loved by You

You were here before me  
You were waiting on me  
And you said You'd keep me  
Never would You leave me  
I was made to love and be loved by You
