You look like someone
Tore by
Finding the words goodbye
Baby I
Hope that u get a clue
Soon before u die
Your only good
When your in your back now
Evening virgin cutting in
Then we'll see whos kidding who now
Another paid actress
And it feels so dumb
Ya I feel so dumb
I'm an anthrophobiatic
With from the sticks
Anyone can see us
With beers in my coat
And wine on the bed
A goodnight twist
On the floor
Near the bed
Where I rest my head
Through the door someone says
Very dead very dead
An thru the phone
Not feeding or sleeping
Can't get over no no no no
I bought some drugs
That I never heard of
An asked what the damage was
And it feels so dumb
Ya I feel so dumb
Ya I feel so dumb
Your lost in your mind
I beleive that anyone can see it
For only one time
We could be together
If u wanna
I know what u want
But baby what
You want I don't got it
Away from the door I heard u say

The truth but I don't want it
And it feels so dumb
Ya I feel so dumb
