

As Tall As Lions "Acrobat"

Visit "[Acrobat](#)" on MotoLyrics.com

Tonight, pretend you're an acrobat
And you're being thrown on top of the world
Do you still wish you were you beautiful?
'Cause you will always be beautiful

Tonight, pretend you're a cigarette
And you're being smoked by a picturesque girl
Do you still wish you were beautiful?
'Cause you will always be beautiful

You will, will always be beautiful
You will, will always be beautiful
Will always be beautiful
Will always be beautiful
Will always be beautiful
Will always be beautiful
