Darling, you look twisted  
Do you see yourself with a better man?  
Darling, you're sadistic  
I know I caught your eye, I'm optimistic

It's alright, I got you spinning  
... for all, you're kinda winning  
It's so natural  
Do you admit the decisions are giving it to give

That's what you'll get  
That's what you'll get  
That's what you'll get  
That's what you'll get

Darling, you look twisted  
Could you see yourself with a better man?  
Darling, it's sadistic  
I know I caught your eye, I'm optimistic

That's what you'll get  
That's what you'll get  
That's what you'll get  
That's what you'll get

That's what you'll get  
That's what you'll get  
That's what you'll get  
That's what you'll get
