Hey, You've got me baited  
With hooks in mouth.  
But I don't want to let you know.  
You see I fall so slowly  
Like leaves in the air,  
It's tellin me to be the air.  
I guess there's no way to make love  
Not break our hearts(x2)  
There's no way to break love  
Not break our hearts.  
And you're feuled on failure  
The mistakes we've made,  
And regrets we've seen.  
Have i scarred too deep to be your wound?

It's strange how it goes when nobody knows  
You're not alive(x2)  
I guess there's no way to make love  
Not break our hearts(x2)  
There's no way to make love  
Not break our hearts  
I guess there's no way you'll  
I guess there's no way you'll  
Fall in love again  
Oh(x2), What could feel, but somewhere you'll feel  
Better than this, than this,  
If only you could see, mmm
