All kings rise! All kings rise!
Claim your crowns, your iron thrones
Place your bets and throw your dice
For another league, of fire and ice

Direwolf, Lion and Stag
Dragon of three, heart of flame
The scent of gold, the scent of blood
In the end they are all the same

Descent of Brandon, King in the North
A wolf with pride on a blazon, ice-white
The mighty builders pride restored
We shall not kneel anymore!

(to) A golden lion on a crimson field
The blood of Andal adventurers
Hear the roar from the Age of Heroes
Hear them roar, Lannister's roar

Direwolf, Lion and Stag
Dragon of three, heart of flame
The scent of gold, the scent of blood
In the end they are all the same

Of fire and blood, she'll proclaim her throne
Escaped the doom from Valyria
Three heads strong but she'll ride alone
Will the dragon ever come home?

To return the favor in that blood soaked hall
Slaying the usurpers kin
Still remember the smell of flowers
The fury is theirs, the fury is ours

Direwolf, Lion and Stag

Dragon of three, heart of flame
The scent of gold, the scent of blood
In the end they are all the same...
