The wildness in me, blood of wolves it is said  
Not learning the knight's fight, the Waterdance instead  
I'll never forget, the first lesson that  
reminds me to stick with the pointy end

Welcome! Welcome! You know you are late, boy?  
Tomorrow you will be here on time  
Just so, on time

I am your dancing master, where is your sword boy?  
Tomorrow you will catch it  
Tomorrow you will catch it just fine

Syrio: You are sword  
Ayra: That's all I am, Hold my needle  
Syrio: Just so  
Syrio: Not the Iron dance of Westeros  
Both: We are learning

Syrio: High and low and right and lunge  
Syrio: Left! You're a dead girl now  
Ayra: You lie! (My words lied)  
Syrio: My eyes and arms shout the truth  
Syrio: But you were not seeing

The wildness in me, blood of wolves it is said  
Not learning the knight's fight, the Waterdance instead  
I'll never forget, the first lesson that  
reminds me to stick with the pointy end

Ayra: You saw what was there  
Syrio: Opening your eyes is  
Both: All that's needed  
Syrio: The heart lies and the mind plays tricks with us  
Both: But the eyes see true

Ayra: Just so!

Syrio: And remember,

Both: Fear strikes deeper than swords

Syrio: The monsters will still be there, but the fear is gone

Syrio: Forevermore

Ayra: Forevermore

Both: Forevermore
