CHORUS

For your name is great and you're greatly to be praised(repeat)

Sing to Jehovah for he's greatly to be praised

Children of Zion as we're humbled and he's raised

For your name is great and you're greatly to be praised(repeat)

Tell everybody what a faithfull friend you've been

Never forsaken always with us till the end

I can bear a witness to this

Every single day that I've lived

The Lord has always been there

Exceeding forever and a day you're love remains the same

Chorus repeat till end.
