[Lyrics:Anubhav, Music:Vikas]

On our way to our final destinyÂ...
We see our days closing soonÂ...
We search for reasons,
To why we existÂ...
Just couldn't find the right answers insideÂ...

[Chorus:]

As I Quest For Spirituality
I see the lightÂ...
The halo of the dark inside
As we search for the end to all of this
We fall deep into pit we made for itÂ...
We close our eyes to our doom
And thus we fall more and more deep inÂ...

As we search for a guiding lightÂ...
We see a figure in the dark
(Dark) Corners of our very own thoughts
(Thoughts) Are full of hope and pain (or they're same?
)

[Chorus:]

As I Quest For Spirituality
I see the lightÂ...
The halo of the dark inside
As we search for the end to all of this

We fall deep into pit we made for itÂ...
We close our eyes to our doom
And thus we fall more and more deep inÂ...

As my quest draws furtherÂ...
My spirit moves backÂ...
My pain is replacedÂ...
As my spirit moves to it's roots
Grown with seeds of despair
I move a step closeÂ...

[Chorus:]

As I Quest For Spirituality

I see the lightÂ...
The halo of the dark inside
As we search for the end to all of this
We fall deep into pit we made for itÂ...
We close our eyes to our doom
And thus we fall more and more deep inÂ...
Guided by the disguisedÂ...
Guided by misery
Guided by failure
Guided by lust

[Chorus:]
As I Quest For Spirituality
I see the lightÂ...
The halo of the dark inside
