She's got something that moves my soul
And she knows, I'd love to love her
But she lets me down every time
Can't make her mine, she's no ones lover
Tonight with me she'll be so inviting
I want her all for myself

(CHORUS)

Temptation eyes looking through my my my soul
Temptation eyes, you got to love me
Got to love me tonight

Got to love me, baby, yeah

Her wild eyed innocence is just a game
But just the same, my head is spinnin
She's got a way to keep me on her side
It's just a ride, it's never ending
Tonight with me she'll be so exciting
I want her all for myself

(REPEAT CHORUS)

I feel her now

Tonight with me she'll be so exciting
I want her all for myself

(REPEAT CHORUS)
