I've been a brother to sorrow  
I've been surrounded by gloom  
Cause this hotels got hot & cold runnin  
Heartache in every room  
Checkin out of here in the mornin  
Even that will be too much time  
I'm gonna get up on a big white bird  
Waitin after you with a line

#### CHORUS:

Oh the runway is the one way to get back to you  
Oh the runway is the one way to get back to you  
If I have to beg, steal or borrow  
I'll be seein you, girl, tomorrow  
Oh the runway is the one way to get back to you

TVs gonna get to me  
Haven't heard a bit of good news  
Who needs that when I'm sittin here chewin  
I'm goin struttin in blues  
Operator wake me at 7  
Don't you wait a minute too long  
I'm gonna leave with a one-way ticket  
Goin back to where I belong
