

Acrylic Kiss "The Painful Suffering"

Visit "[The Painful Suffering](#)" on MotoLyrics.com

You Never Asked To Go Through The Pain
It Just Sprung On You
You Never Asked To Be Struck With This Shame
It Just Stuck To You
Lately You Asked Why It Happens Like This
No One Knows
You Find Home

When Will You Find Home
No One Will Ever Know
The Pain That You Feel
Wont Just Go Away
You Can Pray But
Remember This Day As It Is

Sits Up On The Edge Of The Wall
Wall Of Shame
Don't Be One Who Can Unmask
The Pain At The Masquerade
Casue There's Plenty Of Stupid Creatures
To Do It For You

Repeat 2nd Stanza

Oh Pain At it's Worst
Put Down The Blade
You don't Need The Trouble
You don't Need The Pain
You Just Need To Heal

Don't Go With It
Don't Run With It
Don't Speed With It
Don't Talk With It.

Repeat 2nd Stanza
