Close your eyes now  
Let this feeling sink in  
So young and naive  
We've all barely lived  
But we're not stupid  
We can prove them wrong  
Let's show the whole world  
Who we really are

[Chorus:]

We'll be rocking out to 80's songs  
Singing all the lyrics wrong  
Remembering how it feels  
Remembering how it used to be  
We'll be watching our favorite TV shows  
And staying up all night long  
I want to be 18 for the rest of my life

Open your eyes  
Take a look around you  
Take a look around

Let's just stay young  
And hope this never ends  
Where life takes us  
No one ever knows  
No one ever knows  
Never think twice  
Just do what feels right

[Chorus]

It's my life  
The rest of my life  
I'll learn from my mistakes  
Just let me make my mistakes  
Make mistakes

We're always right  
Always right  
We're always right  
Always right

[Chorus 2x]

I want to be 18  
I want to be 18 for the rest of my life  
I want to be 18
