Wake up and turn off the TV,  
My mouth's dry,  
My stomach's uneasy,  
What a crazy night,  
Roll off the couch and go get some coffee,  
Open the fridge but the shelves are empty,  
I smoke a cigarette,  
Float around and step over bodies,  
Piled up from a weekend of parties,  
Put out my smoke and turn the shower on,  
The water rolls and washes away,  
The smell of haze and drinking for days,  
What a crazy night,

I'm out of cash but rich in friends

Wyl'n out stayin up all night,  
Pop the bottle and turn out the lights,  
So we can turn it on,  
Make a toast to the moon and drink,  
Here's to honor here's to livin the dream,  
We're still young and we can go all night

The smell of smoke fills up the room,  
We came to dance so make a move,  
Get low and shake it my way,  
Get low and shake it my way,  
The people here know what to do,  
We're takin chances on a scene that won't come  
through,  
We're gonna make it our way,  
We're gonna make it our way,

I'm out of cash but rich in friends

Wyl'n out stayin up all night,  
Pop the bottle and turn out the lights,  
So we can turn it on,  
Make a toast to the moon and drink,  
Here's to honor here's to livin the dream,  
We're still young and we can go all night

Take a minute to get a grip  
I'm stumbling drunk with no destination X4

I'm out of cash but rich in friends

Wyl'n out stayin up all night,  
Pop the bottle and turn out the lights,  
So we can turn it on,  
Make a toast to the moon and drink,  
Here's to honor here's to livin the dream,  
We're still young and we can go all night
