Oh how you move
You could say anything
You're just so smooth
Dressed to kill sweetheart
You're well aware
You could have anyone
Can I have this dance
Right now

Girl I'm shaking in my shoes
I can't get away from you
While you're moving on the dance floor
I'm begging you for more
And take my hand
And we can shake it all night long
Our bodies roll so natural
If only I can talk to you

So run your fingers through your hair
I'm only human I can't help it
You're my worst addiction
I need a hit a taste a midnight fix

So run your fingers through your hair
I'm only human I can't help it
You're my worst addiction
I need a hit a taste a midnight...

Oh how you move
You could say anything
You're just so smooth
Dressed to kill sweetheart

Girl I'm shaking in my shoes
I can't get away from you
While you're moving on the dance floor
I'm begging you for more
And take my hand
And we can shake it all night long
Our bodies roll so natural
Just one more dance to get me through the night
