I'm picking up the pieces that you left, oh that you left,
here

I'm running out of reasons, i'm a mess
And i'm a mess yeah
Whoa oh, whoa oh, threw it all away
I said whoa oh, whoa oh, never gonna change

I said yeah, yeah, yeah
I'm just fine; i'm just fine without you
Yeah, yeah, yeah; i can't seem to
Wrap my mind around you
I don't need nobody else to feel alright about myself
So yeah, yeah, yeah
I'm just fine; i'm just fine without you

Well look at that still shining down,
Still shining down, here
And i'm gonna let you bring your clouds,
Back around, here
I said whoa oh, whoa oh, threw it all away
I said whoa oh, whoa oh, never gonna change

I said yeah, yeah, yeah
I'm just fine; i'm just fine without you
Yeah, yeah, yeah i can't seem to
Wrap my mind around you
I don't need nobody else to feel alright about myself
So yeah, yeah, yeah,

i'm just fine; i'm just fine without you

Whoa oh, whoa oh, i'm just fine without you
Whoa oh, whoa oh, i'm just fine without you
I don't need nobody else to feel alright about me
So yeah, yeah, yeah
I'm just fine; i'm just fine without you

And now that i've lost it, i know why i'm looking
And now when i find it, i won't throw it away

I said yeah, yeah, yeah
I'm just fine; i'm just fine without you

Yeah, yeah, yeah, i can't seem to
Wrap my mind around you
I don't need nobody to feel alright about me
So yeah, yeah, yeah
I'm just fine; i'm just fine without you

Whoa oh, whoa oh, i'm just fine without you
Whoa oh, whoa oh, i'm just fine without you
I don't feel nobody else to feel alright about me
So yeah, yeah, yeah,
I'm just fine; i'm just fine without you

Yeah, i'm just fine, i'm just fine
Yeah, i'm just fine; i'm just fine without you
