

Ad Astra Per Aspera "A Fish Would Much Rather Swim"

A fish would much rather swim
a shark would much rather eat
we walk it straight, balance and wait
we reinstate and doubt... we want a challenge
we feel the coriolis blowing around
our kites will knock the satellites down
like a fault line underground, we're down
our lives will be remembered on street signs, and fake
lines

we say "what?" what do you want? fight back,
everythings easy
fight back, everythings wrong
fight back, energy wasted
green light
stand back, everythings easy
stand back, everythings wrong
stand back, energy wasted
green light
