

## Ad Astra Per Aspera "Execute Them All"

Visit "[Execute Them All](#)" on MotoLyrics.com

As my final call  
Sounds the charge  
... to war  
I hate the universe and everything inside  
I detest all I see, nothing pleases my mind  
Execute them all  
It's my final war  
I hate the sight of you, fashion fake Joke  
I detest every man who cannot stand Alone  
Execute them all  
It's my final war  
As my final call  
Sounds the charge  
... to war

I hate the tales you tell, I don't Believe a word  
I detest the stuff you sell, I'll hunt You around the world  
Execute them all  
It's my final war  
When my days are numbered you'll hear My final call  
I'll take their lives away, I'll execute Them all  
Execute them all  
It's my final war  
Execute them all  
It's my final war
