Try to play around with words  
and redress the consecrated mess  
of this store-bought history,  
we're editing to make the  
story fit with pre-beliefs.

we say: hey! we've got a fighting chance,  
to make dance. we feel so enhanced,  
by the feelings that we're getting from

something we created.  
do we believe we're not imitated?  
hey! we don't understand. we fight chance.

tune in the radio. what's it saying now?  
same old rhetoric. got you pre-believing.  
we'll see what we believe
