With the heartbreak open so much you can't hide

Put on a little make-up, make-up

Make sure they get your good side, good side

If the words unspoken get stuck in your throat

Send a treasure token, token

Write it on a pound note, pound note

Goody two, goody two, goody, goody two shoes

Goody two, goody two, goody, goody two shoes

Don't drink, don't smoke, what do you do?

Don't drink, don't smoke, what do you do?

Subtle innuendos follow, must be something inside

We don't follow fashion that would be a joke

You know we're gonna set them, set them

So everyone can take note, take note

When they saw you kneeling, crying words that you mean

Opening their eyeballs, eyeballs

Pretending that you're Al Green, Al Green

Goody two, goody two, goody, goody two shoes

Goody two, goody two, goody, goody two shoes

Don't drink, don't smoke, what do you do?

Don't drink, don't smoke, what do you do?

Subtle innuendos follow, must be something inside

No one's gonna tell me what's wrong  
or what's right

Or tell me who to eat with, sleep with

Or that I've won the big fight, big fight

Look out or they'll tell you, you're a  
superstar

Two weeks and you're an all time legend

I think the games have gone much too far

If the words unspoken

Get stuck in your throat  
Send a treasure token, token  
Write it on a pound note, pound note
