Adam Ant/Marco Pirroni

Too emotional am I?
Too emotional am I?
With a spirit soaring
Ten miles high
I sing loud words that make me cry

Too emotional are we?
Too emotional are we?
Defying all security
I mean to keep this fire in me

Because you're feeding me
To the lions
You're feeding me
To the lions
Feeding me
To the lions

Too emotional are you?
Too emotional are you?
With just one heart
To see you through
A world where facts are so untrue
