Adam Ant/Marco Pirroni

747 or a VC10  
Winter, summer who knows when?  
Takeoff passion flyaway love  
Mile High Club

It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs  
I never heard that noise before

Don't be treated like a pound  
Let currencies go up and down  
Mashed Potato, Rocksteady Rub  
Mile High Club

It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs  
I never heard that noise before

Never give up never say die  
Ignore the fools when they cry  
"If this thing fails - nothing at all!"  
It won't fail

It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs  
It's got it's ups and downs
