Adam Ant/Marco Pirroni

See the Spaniard eating chocolates  
See the Spaniard have a ball  
See the Spaniard trust in no one  
He's on quality street  
He's on quality street

As the masters rot on walls  
And the angels eat their grapes  
I watched Picasso visit The Planet Of The Apes  
As the masters rot on walls  
And the angels eat their grapes  
I watched Picasso  
Pablo Picasso  
Visit The Planet Of The Apes (yeah)

See the Spaniard seek companion  
See the Spaniard take it all  
See the Spaniard sell his friends out  
He's on quality street  
He's on quality street

And pretenders pretend  
To their patronage lend  
But it's the ones we don't see  
That always fascinate me

As the masters rot on walls  
And the angels eat their grapes  
I watched Picasso visit The Planet Of The Apes  
As the masters rot on walls  
And the angels eat their grapes  
I watched Picasso  
Pablo Picasso  
Visit The Planet Of The Apes (yeah)

As the real heroes died  
And their ideas supplied  
To a fat little magpie  
With money in his eyes  
They bowed and they scraped

As opinions he shaped  
Now every little sketch a fortune will fetch  
And the bleach killer kills  
And the bleach killer kills yeah

And as the masters rot on walls (see the Spaniard sell  
the whole world)...
