There's a punk in the supermarket

There's a punk in the supermarket  
and she's carryin' a wire basket  
and she's putin' lots of food in it  
...and a big box of Shreddies

There's a punk in the supermarket  
and she's got a little chain through her tit  
and she doesn't seem to mind it  
...[a] packet of digestives

There's a punk  
There's a punk  
There's a punk  
Look, there's a punk!  
There's a punk  
There's a punk  
...in the supermarket

There's a punk in the supermarket  
and she's carrying a little white slip  
says "2.65" on it  
...and thank you very much, dear!

There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk in the supermarket

There's a punk  
There's a punk  
There's a punk  
There's a punk  
There's a punk in the supermarket

There's a punk ...  
There's a punk ...  
There's a punk in the supermarket
